DETAILED ACTION

1. The preliminary amendment filed 9/12/2005 has been entered. Claims 1-85 are pending in this Office action.

Election/Restrictions

2. Restriction to one of the following inventions is required under 35 U.S.C. 121:
 - I. Claims 1-13, 14-18, 26-38, 39-49, 50-56, 59, 65-68, 73, drawn to an interference cancellation, classified in class 375, subclass 148.
 - II. Claims 19-25, 57-58, 60, 61-64, 69-72, 75, 77-79, 80-85 drawn to a canceling interfering signal paths for each of a plurality of demodulation fingers, classified in class 375, subclass 144.
3. The inventions are distinct, each from the other because:

Inventions I, and II are unrelated. Inventions are unrelated if it can be shown that they are not disclosed as capable of use together and they have different modes of operation, different functions, or different effects (MPEP § 806.04, MPEP § 808.01). In the instant case the different inventions are claims 1-13, 14-18, 26-38, 39-49, 50-56, 59, 65-68, 73, drawn to an interference cancellation; claims 19-25, 57-58, 60, 61-64, 69-72, 75, 77-79, 80-85 drawn to a canceling interfering signal paths for each of a plurality of demodulation fingers.
4. Because these inventions are distinct for the reasons given above and have required a separate status in the art as shown by their different classification and by

their recognized divergent subject matter, restriction for examination purposes as indicated is proper.

5. Applicant is advised that the reply to this requirement to be complete must include an election of the invention to be examined even though the requirement be traversed (37 CFR 1.143).

6. Applicant is reminded that upon the cancellation of claims to a non-elected invention, the inventorship must be amended in compliance with 37 CFR 1.48(b) if one or more of the currently named inventors is no longer an inventor of at least one claim remaining in the application. Any amendment of inventorship must be accompanied by a petition under 37 CFR 1.48(b) and by the fee required under 37 CFR 1.17(I).
